Annual Mass Count begins. This count is made on the 23rd & 30th September, and the 7th & 14th, October. It gives valuable information on the mass attendance, and also is the basis for calculating the annual levy. Would those welcoming please ensure that the count is done. Thank you.

Safeguarding at Grange: The new scheme of registration for those who have contact with vulnerable adults or children is called the 'DBS' scheme. It replaces the 'CRB' scheme. Mr. Ralph Gerrard is our Safeguarding Officer. He will be contacting those involved with ministering to vulnerable adults or children to renew their Safeguarding registration. The intention is to record each new registration on the government website, so that it can be renewed automatically. I ask your cooperation with Mr. Gerrard. I am already on the DBS scheme! Fr. Philip

Offertory appeal

Earlier in the year the Parish Council made an appeal, asking the congregation to increase offerings because in recent years our income had not kept pace with our rising expenses. In the seven months since then there has been a significant increase in the weekly and monthly offerings, which has gone most of the way to eliminating the anticipated deficit. On behalf of the Parish Council I thank all those who have responded in such a generous way to the appeal, which helps to ensure the financial stability of our Church.

SVP AWARENESS MONTH ... The St Vincent de Paul Society: One Family's Story

"I would like to embrace the whole world in a network of charity" Blessed Frédéric Ozanam

This week of Awareness Month we would like to share with you a story highlighting the work of an SVP Conference, highlighting just one example of the ways in which our Members assist people in need.

"Rosamund, a lady in her late 50s, was suddenly abandoned by her husband of nearly 40 years, who left with another woman. She was devastated and found herself almost destitute, no longer able to afford the rent on their flat. She managed to find a cheaper flat in another area, away from her former husband, but had no resources to get started, and as he had taken much of their furniture and household equipment, she needed help in her new home. With the support of the SVP, who purchased a cooker and a fridge/freezer for her, and also found good quality furniture through local appeals, she is now beginning to rebuild her life."

If you would like to know more about the SVP or if you are interested in joining the Society, please get in touch with the President of your local Conference. (Sheelagh Brown 83750)
